DERMAPLANING \$85

45mins

The build up of dead skin and microscopic hairs can make your complexion appear dull, flaky, and can even cause breakouts due to clogged pores and hair follicles. Dermaplaning removes the top layer of dead skin and peach fuzz, giving your skin an amazing exfoliation, it is painfree and non abrasive. Your makeup will go on smoothly and your skincare products will also be more effective. A great option for clients who have a full face wax, or who are sensitive and experience breakouts after waxing.
